Howdy Partner!

It is just about pony camp time at the Ponderosa and we hope to see you here. Once again we have added new animals to our zoo for you to meet.

This year Pony and Farm Animal Camp will be June 22-25th from 10:00 - 3:00. Learn basic horsemanship skills, including knowledge of tack and grooming. Study about animal behavior, habitats, diets and the care taking of exotic and domestic animals. In addition, you will see live demonstrations, and do arts and crafts. We will also take a journey to the zoo pond to fish.

This camp is for ages 5 - 10 and the cost will be \$300.00, this includes a snack and crafts. Campers will need to bring a sack lunch everyday, except on Wednesday. We do have a refrigerator if your child has items that need to be stored.

We are looking forward to seeing our former campers and meeting new ones. The following items are what you will need to bring to camp.

- An extra set of clothes to leave at the Ponderosa. (Labeled and in a bag)
- Bicycle helmet (Labeled with name)
- A sack lunch (excluding Wednesday)
- A light colored T-shirt for a craft project (Tuesday)
- Water bottle
- Fishing Pole (Wednesday, If you don't have one we have extra)

Below are some things you will need to know.

- Wear old clothes (shorts, t-shirts, tennis shoes are fine)
- No open toed shoes (tennis shoes or boots are best)
- Awards presentation and family time will be Thursday 1:30 - 3:00. This provides the campers time to show their new horsemanship qualities and show off their new animal friends.
- Get plenty of rest we will stay active and busy!

We are going to have a rootin' tootin' time at camp!
